The following Orders issued by the Government of India, in the Financial Department, are republished for general information :—

*No. 107.—Leave and Allowances.—Simla, the 27th April 1871.*—The Governor General in Council is pleased to direct the insertion in the Covenanted Civil Service Leave Code of the following rule as Rule 3 under Section XII :—

3. No-demand certificates are not required from officers applying for leave.

*This Rule applies generally, except to officers in the Public Works Department.*

*No. 164.—The 28th April 1871.*—The following extract from an Ecclesiastical despatch from the Secretary of State, to the Government of India, No. 2, dated the 9th February 1871, is published for general information :

"I would call the attention of your Lordship in Council to the despatch of Secretary Sir Charles Wood, No. 4 of 1864, laying down the rule that extensions of furlough should be granted by the Local Governments only, and requesting that the necessary notification on the subject might be made to Chaplains applying for a furlough and afterwards desiring to obtain an extension of the same. The rule is not stated with sufficient clearness in the Regulations of 1868, and I enclose a copy of them with the necessary addition made to paragraph XII. of Chapter I.

"I have taken the same opportunity of causing an addition to be made to paragraph XXIV., Chapter IV. of the Rules relating, first, to the discontinuance which, in consequence of the higher furlough allowances now granted, I have determined upon in Council of the system formerly prevailing of advances of pay to Chaplains returning to duty in India; and secondly, to the appearance before the Indian Medical Board of all Chaplains so returning. You will not fail to publish the rules as thus amended.

"I have further to bring to the notice of your Excellency in Council the despatches of my predecessor's numbers 21, 22, and 20 of 1862, 1865, and 1868, respectively, regarding the issue by the proper authorities in India whether to Chaplains coming Home on leave of any description, or to those receiving in India, permission to retire from the establishments, a document indicating the extent of their actual service, and, in the case of retirement, the amount

of pension to which they may be entitled. It not unfrequently happens that Chaplains arrive in this country without any such certificate, and I have to request that it may, in future, be regularly supplied to them.

"Your Lordship in Council will give the necessary instructions to the Governments of Madras and Bombay on the various points adverted to in this despatch, and enjoin upon them a strict adherence to the rules which I have indicated."

2. Sections XII. and XXIV. of the Rules for the grant of leave of absence to Chaplains published on the 31st July 1868, will now stand thus:

XII. Subject to the exigencies of the service, both as regards the number of furlough available at any one time, and as regards individual applications of which exigencies the Government of India, Madras, or Bombay, as the case may be, shall be exclusively the judge, furloughs shall be granted under these rules. Extension of furlough other than furlough under medical certificate will be granted by the Local Governments only.

XXIV. Leave allowance shall be payable monthly if payment is taken in India, and quarterly if payment is taken in England; when furlough is taken in England, an advance of the first quarter's allowances may be made in India; such advance shall not be recoverable in case of death. No advance of pay will be granted in England to a Chaplain returning to duty in India. No Chaplain on furlough in Europe will be allowed to return to duty in India until he shall have appeared before the Medical Board attached to the India Office for a report upon the state of his health.
